

What's New?

Integrated Sports Systems (ISS) Inc.

www.integratedsports.net

Installation

To install Club Direct you will need Clublink 5.0 or higher.

1. Run the installation file and follow the on-screen instructions.

Remember: Club Direct needs to be installed in the same folder as Clublink.

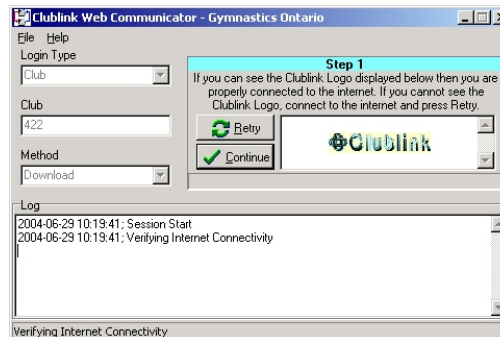

Don't know where your Clublink is installed? Look at the bottom of the Clublink Opening Screen.

What is Club Direct?

- + Club Direct connects Clublink to the Internet
- + Club Direct simplifies the registration process
- + Club Direct provides on-line access to club membership
- + Club Direct opens the door to standardized membership processes
 - + Competition Registration
 - + Results Management
 - + Membership Services and much, much more

This is Club Direct!

Launch Club Direct from the Opening Screen in Clublink

How Does Club Direct Work?

- + Club Direct integrates with Clublink to automate the registration process
- + Club Direct monitors membership activity and automatically recognizes which members should be registered with your Central Office
- + Club Direct monitors membership changes to ensure your Central Office has up-to-date membership information
- + A new Registration Reconciliation process will be incorporated into your Central Office Clublink to ensure accurate invoicing

No more e-mail attachments or mailing floppy disks. Club Direct is a one-step solution

Internet Notice Boards

Your Central Office will setup two Notice Boards

Member Notice Board

Cool role specific member stuff
Membership login and account access

Club Notice Board

Club specific messages
Invoice center
Other cool stuff

On-Line Membership

With Club Direct you can access your membership on the Internet

To activate your Internet account and setup your on-line login name and password, please contact your Central Office

What can I do on the Internet?

Verification

Verify if a group of members are registered

Competition Hosts, Club Registrars

- + Lookup by Name
- + Lookup by Name and Club
- + Lookup by Membership Number

Validation

See if you are registered

Individual members can see their membership profile and access the Member Notice Board

Registration

Clublink users register membership with the click of a button
